Dear Mr. Natali:

Thank you so much for coming in to talk to our Personal Finance Class at Riverview Junior Senior High School. I learned a lot from your presentation; your book was also very informative! Because of your knowledge, I have learned a lot about how to prepare for my future.

First, you started off with the idea that "Your financial choices have consequences. Will you choose wisely?" This made me think that I need to make some changes in my financial situation. I need to start saving and investing so that I am not like the 76% of Americans who live paycheck to paycheck.

Hopefully, in the future, I will be able to create a diverse investment portfolio. I want to have a Roth IRA now that I know how beneficial they are. Thank you again for coming in to talk to our class. I am looking forward to the Missing Semester panel discussion at Pitt!

Sincerely,

Jenna Redovan
